

URVASHI VAGHASIYA

FULL STACK WEB DEVELOPER

ABOUT ME

I am Urvashi, a final year B.Sc. IT student at Sri Ramakrishna Institute of IT. I am passionate about full-stack development and I am always eager to learn new things. I am proficient in front-end and back-end web development technologies, including ASP.NET, and many more. I am also a fast learner and team player with a passion for building brands and user-friendly experiences.
